# RIDGE VINEYARDS

*There is a lot of talk in the wine world these days about “natural” winemaking, a term which seems to mean different things to different people. At Ridge, we felt from the beginning that these modern, increasingly industrial, wines lacked the complexity, the sense of place, and the ability to age and develop that the pre-industrial wines demonstrated. So we looked back to the 19th Century – to techniques used in the first and finest California wineries.*

**2016**  
*Eight Years*  
*in the Desert*  
*by Orin Swift*  
**(Inaugural Release)**

After eight years away from Zinfandel, Dave Phinney returns to the grape that put Orin Swift on the map twenty years ago. Zinfandel, Petite Sirah, and Syrah expertly blended into a single big, brawny package. Dark fruit predominates with hints of charred meat and espresso. Each bottle is hand labeled in mixed media, and is a collector's item in itself.
